HAVE YOU PLANTED YOUR VICTORY ORCHARD?

★ GARDEN ★

If not, then now is the time to plant some of Boyd's choice plants. Fruits are the safest investment for the future and you can help to grow some of the food that the nation will need for the coming years ahead. You can have fresh fruits for your table and the market in two or three years. The Government is urging all people to have a Victory Garden this year, so do your part in this vital program.

APPLES

"The King of All Fruits"

This is the number one fruit of America and you can have Apples from your orchard in three to four years. Apples help build your health. Do your part by planting a few of these trees.

Summer Apples

EARLY HARVEST. Ripens in early part of July.

Waxen yellow color, juicy and good quality.

YELLOW TRANSPARENT. The favorite yellow summer apple. Excellent for eating and cooking.

YELLOW HORSE. The best summer, yellow cooking apple. Large yellow, fine flavor.

Autumn Apples

KINNARD'S CHOICE. The good, large, dark red fall apple that markets good everywhere.

GRIMES GOLDEN. The best Yellow Apple for fall marketing, Full of rich, spicy flavor.

AGENTS

We have no traveling agents. We have had complaints from time to time from people who say they have bought plants from our agents, who guaranteed to replace the plants free of charge if they proved unsatisfactory.

This is to warn our friends and customers against placing any orders and paying their money, with any one claiming to represent us. We are doing only a mail order business, and request you to send all your orders direct to us.

Certificate of Inspection Will Be Sent With Each Shipment.

Winter Apples

RED STAYMEN WINESAP. An improved Winesap. Excellent for market, cider and eating.

RED DELICIOUS. Sometimes called the King of all Apples. Delicious flavor, full of juice and a wonderful keeper.

YELLOW DELICIOUS. One of the finest flavors of all apples. Yellow rich color.

WINESAP. One of the old timers. A red apple with excellent flavor and one of the best apples to put up for home use or to put on the market.

Guaranteed to Live?

No one can guarantee that trees, animals, or any other living thing will live. Not even a human being can be guaranteed to live. We do guarantee two things:

1. That we will ship healthy plants to arrive in good, live condition. We will replace otherwise.
2. That we are so sure of our stock, we will take half the risk even if it arrives in good condition and subsequently fails to live. We will replace at half price under these conditions.
